D E D I C A T I O N

The staff of this yearbook would like to take this opportunity to recognize all the donors who have kept Nebraska Christian High School in existence since 1959. Thus we dedicate this yearbook to all the faithful supporters of this school and those who will continue to glorify God in this service.

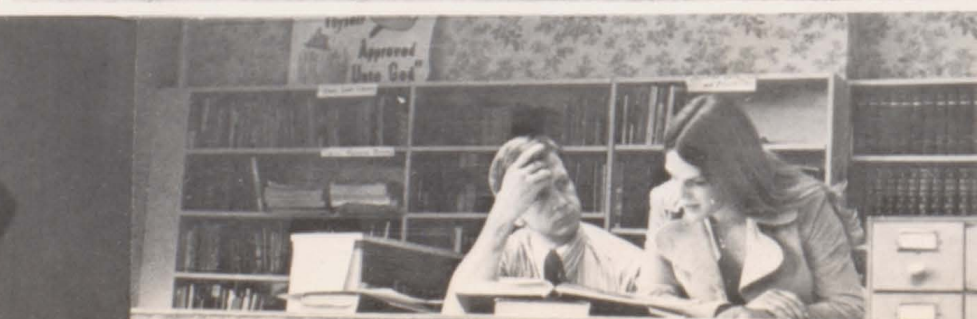

IN HIS STEPS

To be an example and a true “reflector” of Christ should be the top priority and goal of the Christian.

“For even herunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow his steps.”

"Walking in His Steps" has been a guideline for Nebraska Christian for many years. Well expressed in scripture by Galations 5:25, "If we live in the Spirit, let us also walk in the Spirit," the success of NCHS depends on the energizing element of the Holy Spirit.

If we are to follow in the steps of Jesus, it will mean sacrifice, commitment, and finally complete victory. As we reflect upon the activities and achievements of this year, let's thank the Lord for steps we have taken in his direction, and pray with the Psalmist for the future: "Order my steps in thy word, and let not any iniquity have dominion over me". Psalm 119:133.

PUBLIC RELATIONS

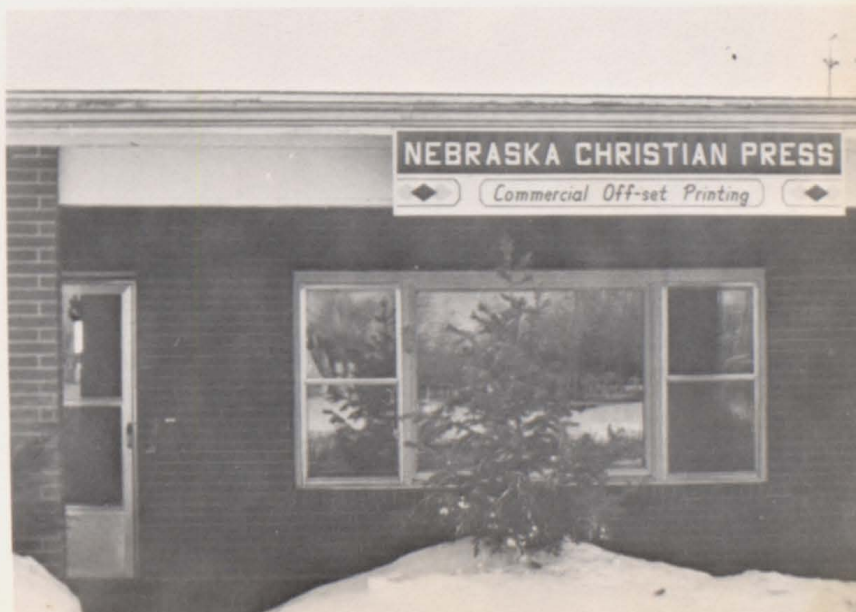

The Print Shop Staff has been really loaded with work for the school and for several outside customers. We appreciate their helpfulness also in 'sharing' their dark room with the 'Reflector' staff for developing pictures; we really praise the Lord for this dedicated staff.

The two men in charge of NC's public relation work are Mr. Ranney and Mr. Ressel. They go out and inform friends of recent developments at school and also of needs. In addition, they answer a lot of questions! Mr. Ressel edits a school publication, 'News 'N Notes', a paper that tells what's going on among students, staff, and alumni.

Mr. Bob Ranney, Mr. Tom Ressel

The print shop has moved from Hord Hall to one of the buildings, southeast of the main campus, that was recently purchased from Grace Children's Home. This is one of the several changes that are taking place on campus. This new location accommodates the Print Shop very well.

"Mama and Papa Bair" are native ranchers of Basset, Nebraska. The Bairs spend time as substitute parents for more than 40 girls in the Girls Dorm.

Sara, Richard, and Nathan Musgrave

The theme of this year's banquet was "For the beauty of the earth." It was held March 18, 1975, at 7:00 P.M. After a delicious dinner, served by some of the sophomores, our speaker, Mr. Lloyd Speer, was introduced. Mr. and Mrs. Speer then favored us with some vocal arrangements, followed by an inspiring message from Mr. Speer.

NCHS ANNUAL ALUMNI DAY

42 graduates of NC attended the alumni day held on Monday, January 6. After visiting with old graduates, the Alumni were served a buffet dinner which was followed by a business meeting. The day's activities ended with the Alumni women playing the NC volleyball teams and the Alumni men playing a game of Basketball with the NC faculty men.

PARENT TEACHER CONFERENCE

September 28, 1974 was the Parent-Teacher Conference at NC, with about one hundred parents present. The activities started with a short devotion, then a question and answer period. The activities ended with the parents visiting the teachers and classrooms. This school outreach was a good opportunity for linking the gap between parents and teachers connected with NC.

The Corporation Dinner was held November 26, 1974 for all of the Faculty, Board, Advisory Council, and any other persons who meet these qualifications:

- (a) Must subscribe to the doctrinal statement without any mental reservations.
- (b) Born again Christian and living a consistent Christian life.
- (c) Has contributed \$50 or more to the school in a year.

During this meeting the new Advisory Council members were elected.

Mr. Paul Oswald, president of the board, addresses at the dinner.

The choir served the dinner and later sang during the program.

Christian Education Advance Dinner

The Christian Education Advance Dinner was held April 11, 1975 in the school gymnasium. The Advance Dinner is for anyone who is at all interested in Nebraska Christian or in Christian education in general. Students served the dinner and later the choir sang.

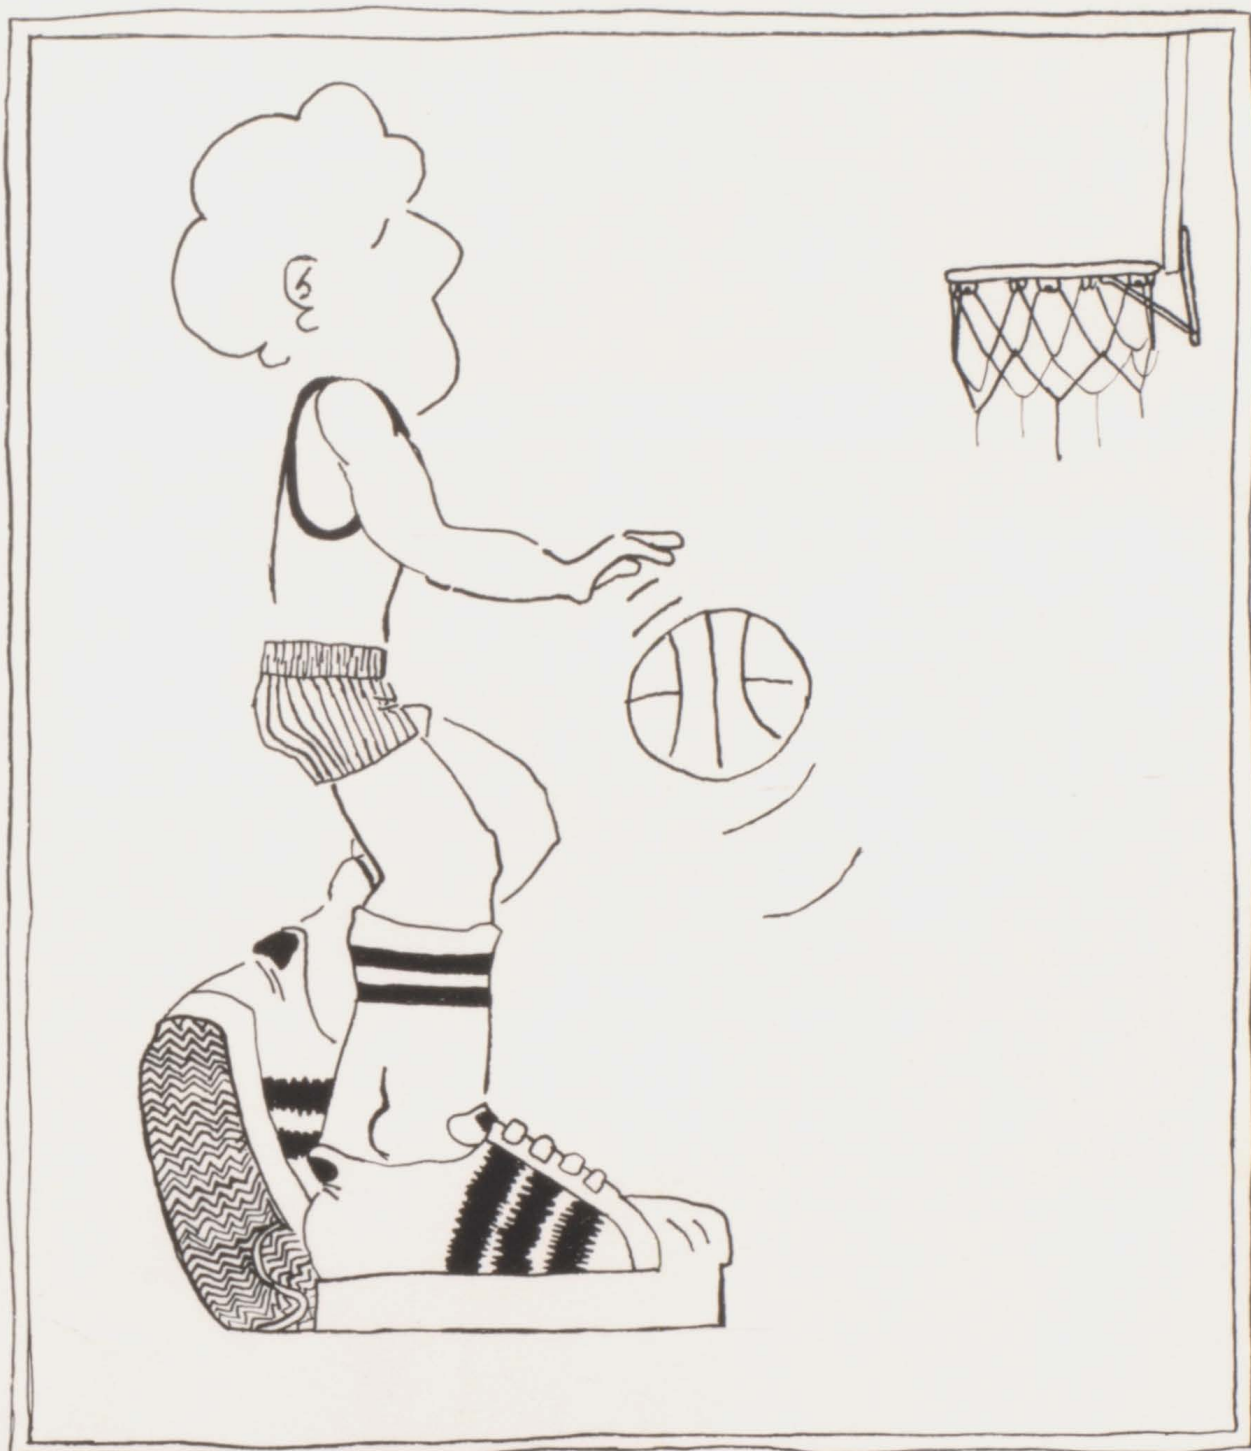

Our speaker was Dr. Roy Lowrie, Headmaster of Delaware County Christian School in Newton Square, Pennsylvania; and also Executive Director of the National Christian School Education Association. (NCSEA)

By faith, \$48,208 was promised to the school for the expansion program.

ROWSE "DOUBLE 9" MOWERS

This is the mowing outfit that is finding favor with farmers and ranchers alike, featuring two I. H. C. mowers with 9-ft. bars mounted on one tractor. Both mowers are the pitmanless balanced head type for smooth, fast operation.

Rear mower is driven by a drive shaft through 2 right angle gear boxes. Each mower bar is raised and lowered individually from hydraulic system of tractor.

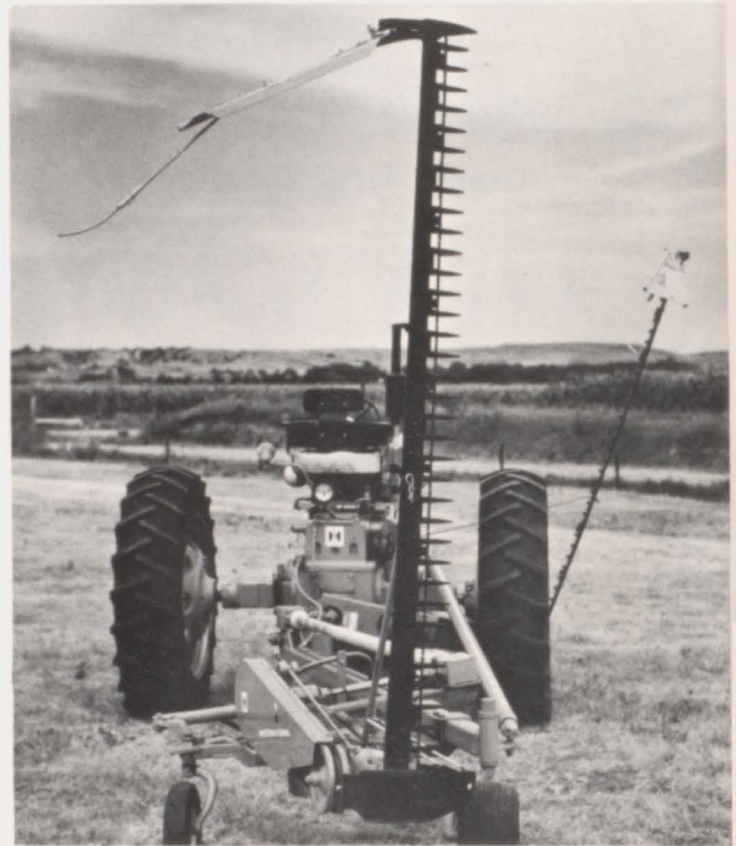

Mower in operating position.

TRANSPORTATION IS NO PROBLEM

It takes only seconds to change this trail mower from mowing position to transport position. To transport the mower, simply release the ball hitch on the front end of the tractor and hook to the ball mounted on the rear axle of the tractor, thus letting the mower trail directly behind the tractor. The two wheels on the trail mower are caster wheels and automatically assume the direction the mower is being pulled.

(This Mowing Outfit can also be furnished with two 7 ft. bars instead of the two 9 ft.)

Ready to be moved anywhere.

● This rake is very flexible and merely floats over the ground, as the rake is carried by 5 wheels which are so arranged that uneven ground has little effect on the rake. This also protects the rake teeth from breakage.

● Another feature that protects the teeth is springs on the holddown, which absorb much of the shock and strain on the teeth.

● One double-acting hydraulic cylinder easily operates the rake.

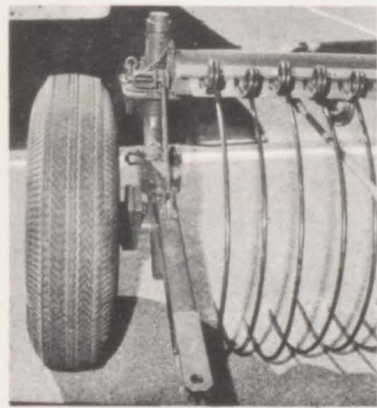

● This is the rake that has made all other rakes obsolete, and has found favor with farmers and ranchers alike.

Rake, in operating position.

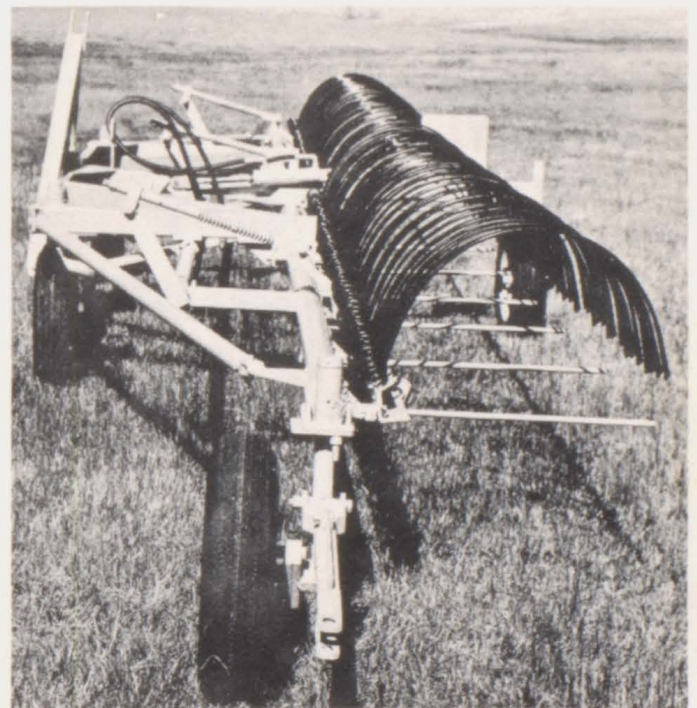

TRANSPORTATION — NO PROBLEM

It takes only seconds to change this rake from operating position to transport position. To transport the rake, the tractor is disengaged from the main tongue, which is then lifted to an upwardly position. The tractor is then engaged to a short tongue which is assembled to one of the end wheels. This wheel is locked in position by means of a pin when the rake is in operating position. (See picture at left.) The opposite end

Simple Mechanism changes to transportation position.

wheel locks in two positions, one for raking, the other for transportation. The center wheels are caster wheels, and automatically assume the position the rake is being pulled. The rake is only about 8 ft. wide when being transported, and can be pulled by car or pickup at least 50 miles per hour.

Ready to be moved anywhere.

The Center Pivot Irrigation System with fool-proof alignment.

That's right! Lockwood offers the exclusive Lock-in-Line® alignment system. Simple. Foolproof. Dependable. In irrigation circles, it's a real winner.

There's lots more to the Lockwood pivot story. For example, there's extremely high-torque tower motors. Specially designed for irrigation work. (Not modified from general uses.) It means your Lockwood pivot can handle most any terrain without strain. And even the gear boxes are designed just for tough irrigation work.

Another big plus with Lockwood center pivots is the Circuit Rider® control

system. It's a full-time, fool-proof system for total protection! Lets you see at a glance how everything's working.

There are still more Lockwood features that add up to prime quality in a center pivot system. Yes, in irrigation circles, Lockwood's a real winner.

Come in and see us now, or call for details. Our people are factory-trained and we're part of an extensive nationwide Lockwood dealer organization. What's more, every Lockwood dealer is backed by Lockwood's new computerized parts system.

"Being confident of this very thing, that he who hath begun a good work in you will perform it until the day of Jesus Christ." Phil. 1:6

The above verse ties together the theme of this yearbook, "In His Steps." The Reflector staff hopes that through the steps of this book, we have impressed the need of following Christ's example and perfecting each part of our lives because of doing so.

The Reflector staff would also like to extend a special thanks to every supporter of this yearbook, and especially the following for their help: Nebraska Christian Press, Mr. Davenport, Mr. Ressel, and Eric Benson.
